

My experience in Tralee

Hi there! I'm Noel and I have been living in Tralee for around 4 months now. I am a participant in the kv plus program. I really want to thank Movetia for this once in a lifetime opportunity to be a part of this awesome program.

For my whole stay in Ireland, I'm living by Mary and Peter. A retired couple who enjoys giving different student a lovely accommodation. Currently there are two other students from Oman living with us. Mary and Peter are very kind and make me feel as I would be on holidays. Mary is a great cook, and I can have interesting conversations with her.

I gain my work experience at the company lots furnishings. They have lovely sofas, recliners, mattresses and so on. During my worktime from 10 a.m. to 4 p.m. I go on deliveries, assist to put up new furniture and help in the marketing section out. I fully enjoy my work at lots furnishings and everyone is extremely friendly. They really appreciate my work and so do I for the opportunity to gain the useful work experience.

In my free time I go to the gym and enjoy going in the sauna at the weekends. Besides school I meet up with friends and we have a chat and drink a pint of Guinness. At the beginning of my stay, I went a lot on trips organized from the celtic school, but now I concentrate more on the upcoming Cambridge exam.

Twice a week we have school for two and a half hours to prepare us for our English exam. I appreciate going to school a lot, not only because our teacher is extremely friendly as well as competent, it's also the coming together of classmates every Tuesday and Thursday.
